

St Mary's SEND Whole School Summary 2025-26

SEND Provision 2023-24	
Strengths:	Things we want to make even better:
<ul style="list-style-type: none"> Recognising and supporting those children who need support to be included in school life socially, emotionally, behaviourally and academically. Staff's understanding of a range of SEN and ability to support children to achieve. Using adaptive strategies to support children to access their curriculum. Offering children a wide and varied curriculum, designed to support them in reaching their individualised goals. 	<ul style="list-style-type: none"> Making sure that we identify any potential SEND needs early so children can receive the right support. Continue to involve parents in supporting their children and in all aspects of decision making. Continue to evaluate and implement a wide range of interventions designed to support the children that need it.

Here at St Mary's, we offer a wide range of interventions to support all areas of need. Here are some examples of the support we offer:
