

GOVERNORS CODE OF CONDUCT

This code sets out the expectations on and the commitment required from governors, in order for the Local Governing Body to properly carry out its work within the partner academy, the Multi Academy Trust and the community.

Governors have a general duty to act with integrity, objectivity and honesty in the best interests of the academy at all times. In the Trust there is also an expectation that the academy will conduct itself in a way that is in accordance with its ethos statement. Mindful of their responsibilities, governors will strive to discharge their duties in a manner that upholds and demonstrates Christian values in the academy, the local community and the wider educational community. Governors actions should at all times reflect their responsibility to promote high standards, ensure that pupils attend a successful academy and secure the Christian ethos of the academy. Governors should consider carefully how their actions both corporately and individually will be perceived by all stakeholders.

The following is not a definitive statement of the responsibilities of a Local Governing Body but is concerned with a common understanding of the broad principles by which the Governing Body and individual governors will operate.

Core Strategic Role of the Governing Body/Board

 - Appointing the Headteacher (as per scheme of delegation)
 - Monitoring progress towards targets

Role & Responsibilities

1. We understand the purpose of the governing body and the role of the Headteacher and accept that our role is strategic and will not therefore involve ourselves in the day to day management of the partner academy.
2. We accept that we have no legal authority to act individually, except when the SNMAT board has given us delegated authority to do so (as detailed in the scheme of delegation or evidenced in full governing body minutes), and therefore we will only speak on behalf of the governing body when we have been authorised to do so.
3. We accept collective responsibility for all decisions made by the SNMAT board or its delegated agents. This means that we will not speak against majority decisions outside the governing body meeting, including using any social media.
4. We have a duty to act fairly and without prejudice.
5. We accept that all governors have equal status although appointed by different groups, (e.g. parents, staff, local churches, Multi Academy Trust/Sponsor) our overriding concern will be the welfare of the academy as a whole- where necessary staff governors or volunteers will seek to maintain separation of roles.

6. We will encourage open governance and be prepared to answer questions from other governors in relation to delegated functions, acknowledging the time, effort and skills that have been committed.
7. We will consider carefully how our decisions may affect the community and other academies and will act appropriately upholding the academies reputation in our communications.
8. We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our academy and the Trust. **Our actions within the academy and the local community will reflect this.**
9. In making or responding to criticism or complaints affecting the school we will follow the procedures established by the SNMAT Complaints Policy.
10. **We will actively support and appropriately challenge the headteacher.**
11. We will follow the academy and SNMAT policies and procedures as well as adhering to regulations applying to academy governance including equality legislation.

Commitment

1. We acknowledge that accepting office as a governor involves the commitment of significant amounts of time and energy.
2. We will prepare well for our meetings having read the papers presented and be equipped to positively contribute to the meeting.
3. We will each involve ourselves actively in the work of the governing body, accept our fair share of responsibilities, including service on the accountability panel or working groups.
4. We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
5. We will get to know the academy well and respond to opportunities to involve ourselves in academy activities.
6. We will undertake our fair share of our role to monitor by visiting the academy, with all visits arranged in advance with the staff and undertaken within the framework established by the governing body and agreed with the Headteacher. We will complete a record of each visit we undertake which will be shared with the Full Governing Body.
7. We will consider seriously our individual and collective needs for training and development and will undertake relevant training.
8. We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing body, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing us will be published on the academy's website.

Relationships

1. We will strive to work as a team in which **constructive working relationships** are actively promoted.
2. We will express views openly, **courteously and respectfully** in all our communications with other governors and staff.

3. We will support the Chair, Vice Chair and other governor colleagues in their role of ensuring **appropriate conduct** both during meetings and at all other times.
4. We are prepared to answer queries from other governors in relation to delegated functions and consider any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
5. We will seek to **develop effective working relationships with the Headteacher, staff and parents**, the Trust, local authority and other relevant agencies/partners and the community.

Confidentiality

1. We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside and outside the academy, including by the use of any social media.
2. We will exercise the greatest prudence at all times when discussions regarding academy business arise outside a governing body meeting.
3. We will not reveal the details of any governing body vote.
4. We will ensure confidential papers are securely held and disposed of in line with academy procedures.
5. We will maintain confidentiality even when we are no longer a governor at the partner academy.

Conflicts of interest

1. We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing bodies business in the Register of Business Interests, and if any such conflicted matter arises in a meeting, we will offer to leave the meeting for the appropriate length of time. We accept that the Register of Business Interests will be published on the academy's website.
2. The Trust is keen to avoid any situation in which a governor's personal relationship or loyalties could, or could be seen to prevent them from making a decision which is in the best interests of the academy. There may be certain circumstances where consideration of an applicant, who has a personal relationship with an existing governor or member of staff may not be approved, or require additional supporting information from the chair of governors before a decision is made.
3. We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
4. We will act in the best **interests of the school as a whole and not as a representative of any group**, even if elected to the governing body by such group (e.g. parent or staff governors).

Breach of this Code of Conduct

2. Governors who do not complete the on-line Safeguarding Training on an annual basis (without valid reasons explained to the Chair) will be asked to resign from their role.
3. Governing bodies should ensure that prior to appointment (or as soon as possible thereafter), all new governors/associate members agree to the expectations for behaviour and conduct, as set out in this Code of Conduct, and that the governor understands the circumstances in which governors may be suspended or removed. The governing body will provide support to a new governor/associate member via good induction, training and mentoring and any potential issues will be addressed promptly.
4. If it is believed that this code has been breached, the issue should be raised with the Chair and the Chair will make SNMAT aware. Any breach of this code will be treated extremely seriously by both the governing body and the Trust (SNMAT) and may result in removal from the governing body.
5. In the event of a breach of this code, each governor agrees to participate fully in any investigation or other procedure instigated by the SNMAT board of directors and to abide by any sanction that may be imposed on them.
6. The suspension/removal of a governor will take place as a last resort after seeking to resolve any difficulties or disputes informally. The responsibility for the suspension/ removal of a governor can only be undertaken by the SNMAT Board of Directors, as the appointing body, in accordance with the Scheme of Delegation. The Chair will seek advice from SNMAT should a governor be considered for suspension/removal.
7. Should it be the Chair that we believe has breached this code, SNMAT must be informed and will determine the action to be taken.
8. All governors will adhere to the principles as detailed below:

The Seven Principles of Public Life (The Nolan Principles)

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example.

Declaration

As a member of the Governing Body I will always have the well-being of the children, staff and the reputation of the academy at heart. I will do all I can to be an ambassador for the academy, publicly supporting its aims, values and ethos. I will never say or do anything publicly (including by the use of any social media), which would embarrass the academy, the Governing Body, the Headteacher, staff, the Trust or any other member of the academy community. I understand that I must declare business/personal interests and this information will be published on the academy’s website along with my name, details of my term of office and responsibilities as a governor. Failure to reveal this information may be judged as bringing the Governing Body into disrepute and could lead to my suspension or removal as a governor.
