Dear Parents and Carers,

Re: September Reopening

I am writing to you to inform you of the steps we will be taking to fully reopen to all pupils this September and share what you need to know to help your child prepare for their return to school in the new academic year.

We understand that the return to school is vital for your child's education and wellbeing; therefore, we will ensure that all pupils can return in the Autumn term and do so safely. While the risk to children becoming severely unwell due to coronavirus is now considered to be low, we will continue to put infection control measures in place, in line with our risk assessments, to help keep all members of our school community safe.

The following documents set out the details of our plan and are attached to this email:

- Back to School Book
- Curriculum Addendum
- Enrichment Brochure

Please take time to read through these carefully. Should you have any queries or concerns after reading the information in this letter, please contact the school office.

I would like to thank you for your overwhelming support and co-operation during the coronavirus pandemic. We are committed to supporting you and your child as they transition back into school routines.

I hope you and your family are safe and well.

Best Wishes

Miss Robinson
