# KEY DATES

## Autumn Term 2020 Diary Dates

**1<sup>st</sup> September** – INSET Day

**2<sup>nd</sup> September** – INSET Day

**3<sup>rd</sup> September** – Back to school for all children in Y1-6

**7-11<sup>th</sup> September** – Introductory Mornings for Reception

**14-16<sup>th</sup> September** – Reception Staggered Start

**25<sup>th</sup> September** – Extraordinary INSET Day

**6<sup>th</sup> & 7<sup>th</sup> October** – Parents' Evening

### What is an 'Extraordinary INSET Day' and why do we need it?

The Board of Directors of SNMAT has provided an additional INSET day to all the schools in the Multi-Academy Trust on 25<sup>th</sup> September to enable them to carry out analysis of assessment data and identify children in need of support to catch up. Before this, there will be three assessment days during which children in KS2 will sit tests, or in KS1 and FS, carry out practical assessment-based activities. The INSET day itself will be used to enable senior leaders to meet with every teacher to discuss their pupils' attainment and progress following the basic skills focus and assessment days. On this day, targets and trajectories will be set for every child and any requiring additional support will be identified and intervention plans put in place. We plan to hold Parents' Evenings soon after (6<sup>th</sup> & 7<sup>th</sup> October) to share this information with parents - this will be subject to government guidance at the time.

Please see the full school calendar which is available on our website and can be synced with your mobile telephone here:

<https://www.stmarymagdaleneprimary.co.uk/diary/list/>

# HEALTH AND SAFETY

Health and safety arrangements for pupils' return are summarised below. The full risk assessment is available from our school office on request.

DO NOT send your child to school if they have coronavirus symptoms or have tested positive in the last 7 days. If a child in school becomes unwell with coronavirus symptoms, parents will be called to collect their child immediately. Pupils must self-isolate for 7 days and arrange to have a test. Other member of the household (including siblings) should self-isolate for 14 days. If pupils or staff show any symptoms of Covid-19 (new continuous cough, high temperature, loss of smell or taste) they will be sent home immediately and isolated in the sensory room until collected. An adult will supervise them throughout.

- **Bubbles:** Each class is classed as a 'bubble', however children are able to access other provision i.e. Breakfast Club, Nurture, as long as these are in small, consistent groups. Please see your child's year group page for details of this.
- **Staggered times:** Due to the nature of our school site, these are still necessary for drop off and pick up, break times and lunchtimes. Designated entry/exit points for drop off and collection have also been allocated. Please see your child's year group page for details of this.
- **Social distancing:** please observe social distancing when dropping off and collecting children; this includes leaving site immediately. Please refrain from standing and chatting to other parents. If you have to wait for a child from another class to start/finish, please leave the school site in between these times.
- **Classroom provision:** We anticipate all staff being able to return to work in September, therefore children will access provision with their class teacher in their own classrooms. Where possible, each bubble will access their own toilets. Where this is not possible, toilets will be cleaned at lunchtime as well as at the end of each day. Classrooms will be ventilated with use of windows and doors. Children will be seated facing forwards wherever possible. DfE advice is to limit the amount of equipment brought into school by children to just essentials e.g. lunch box, coats and stationery. Please can we continue to refrain from bringing large bags.
- **Lunchtime arrangements:** Only two classes will access the hall to eat their lunch at any one time. These will be distanced from each other and tables/chairs will be cleaned between groups. Only one class will play on the playgrounds at any one time – this is also the case at break times. **PTO**

# HEALTH AND SAFETY

- **Collective Worship:** This will take place in classrooms instead of in the hall as the whole school cannot yet be brought together.
- **Building Access:** Unfortunately, parents will not be able to accompany children into school, unless you have a specific appointment. In this case, please enter through the main entrance only. If you have any questions, worries or concerns, please email the school office.
- **Hygiene:** Children and all visitors will be asked to wash their hands or use hand sanitiser on entry to the school building and at several key times throughout the day. All children will have lessons on basic hygiene to remind them of the 'catch it, bin it, kill it' / cover cough/sneeze messages. New, foot pedal, covered bins have been purchased and will be emptied regularly throughout the day; hard surfaces will be wiped down regularly with additional cleaning in place at lunchtime.
- **Uniform:** Children should wear their winter uniform from the beginning of Autumn Term: there is no need to wash clothing daily from September onwards.
- **Face coverings:** at the time of writing, these are not required and should be removed before entering school. Temporary face coverings **MUST** be placed in a lidded bin. Reusable masks are to be placed in a plastic bag, sealed and taken home.
- **Reading books:** These will be given out on set days and should be returned on the day requested by the class teacher as we have to leave them in quarantine for at least 48 hours between users.

# BREAKFAST CLUB

Government guidance states that schools should consider resuming any breakfast club provision, where possible, from the start of the autumn term. They recognise that this will be logistically challenging for schools and states that if it is not possible to maintain bubbles being used during the school day, then schools should use small, consistent groups.

Taking into account the government advice, we have taken the decision to open our Breakfast Club from Thursday 3<sup>rd</sup> September to a maximum of 30 children. The hours will be 7:45-9:15am at a cost of £2 per day. The times have had to be changed due to the need to cover staggered day start times. We have reduced the cost to cover this interim period.

So that we are able to ensure a small consistent group, we have also introduced a booking system. This is to ensure children's health and safety. **The days you require care must be booked and paid for half a term in advance using sQuid** - see below for how to do this. A visual, step by step guide is also available on our website. Children in receipt of the pupil premium funding will also be required to book these sessions but will not be charged. This is so we know how many pupils to expect. **The booking system has been set up to account for the first half term: please ensure that you have booked and paid for your child's place by 31<sup>st</sup> August 2020.**

## Instructions:

1. Log into <https://portal.squidcard.com/LoginPortal/>
2. Select 'bookings'
3. Select 'Breakfast Club'
4. Select the dates manually or book in bulk using a date range
5. Once selected – add to basket
6. Check the dates are the ones you definitely require – select checkout

**A step by step, pictorial version of these instructions can be found [here](#).**

# ENRICHMENT CLUBS

Enrichment clubs will go ahead in September and, for safety, we have planned these to enable children to remain in their class bubbles. A maximum of 30 places will be allocated meaning the whole class can take part if they wish. Clubs during Autumn term will all focus on physical or mental wellbeing.

As usual, you will need to sign your child up to clubs. This year, we will do this online. Please follow the link below each club to book this.

	KS1	KS2

# CURRICULUM & CATCH UP

## SNMAT Summer Catch Up Programme

We know that many parents will be concerned about missed learning time. A team of teachers and senior leaders from across SNMAT have worked hard to create a primary 'catch-up' programme for the summer which will help children to be 'ready' for their next year group. There will be seven strands to this:

- Reading
- Spelling
- Grammar
- Number
- Calculation
- Fractions
- Life Skills

This will be an online/remote learning package which children can work through at their own pace. A link to this will be placed on our school website - more details will follow soon.

## Autumn Term Curriculum Addendum

When we reopen in September, children will access a streamlined curriculum during the first four weeks of term. This is to enable a focus on core skills and ensure that children have the base knowledge and understanding to enable them to make good progress throughout the 2020-21 academic year. This addendum will begin on 7<sup>th</sup> September following two days of transition activities with their new teacher.

The focus subjects will be: English, Maths, PE, RE, P4C and Art, all chosen because they teach core skills, or because they provide a vehicle to overcome wellbeing concerns. The whole school will use the stimulus text 'Voices in the Park' by Anthony Browne. This has been chosen because it provides four concepts which are key to sharing experiences and supporting children back to school following the COVID closures: **friendship, perceptions, identity and hope.**

More information will be sent out as a separate document to parents and can also be found on our website [here](#).

# LUNCH MENU

## Week 1

	FIRST COURSE	SECOND COURSE
<b>MONDAY</b>	<p>Margherita pizza <small>145k Gluten</small>                      &amp; new potatoes                      mixed salad                      coleslaw <small>45g</small></p> 	<p>Strawberry mousse <small>145k</small>                      &amp; fruit</p>
