

St Mary Magdalene C of E Primary School

Headteacher: Miss S Robinson

20.3.20

Dear Parents/Carers

Re: Closure Arrangements

I can confirm that from Monday 23rd March, school will be closed except to families who have received email confirmation from us that we can offer additional provision. There is currently no guidance from the government about when this will end. During closure, work for your child will be set on Microsoft Teams. Please see extensive guidance on the school website for accessing this work on: <https://www.stmarymagdaleneprimary.co.uk/letters-home/>. If you are unable to access this online, please contact us as soon as possible so that we can put alternative measures in place for you.

Work Completion Expectations

- Teachers will set work daily (Mon-Fri) by 9am. They are providing work which matches the normal school timetable wherever possible to try and ensure that pupils continue to make progress through the curriculum.
- To ensure that your child receives continued education, please support them to complete all tasks set by the class teacher each day.

Where can I get support with my child's work?

- Teachers and Teaching Assistants are providing a 'chat' service through the school day via Microsoft Teams. Please post a message on the chat facility, pre-fixed with yours or your child's name.
- The school website has a host of materials that will help, e.g. Maths Calculation Policy, reading book levels etc.
- We will post helpful hints and useful sites on our Facebook and Twitter accounts.

For those parents who were unable to attend Parents' Evening this week, you will receive a short report from your child's class teacher in the coming week.

Thank you for your continued support. If you have any further queries or questions, please do not hesitate to get in touch. Stay safe in the coming weeks.

Best Wishes.
Miss Robinson
