## **Statement of intent**

In our family, we have the courage to embody Jesus' love for us. We put others' needs above our own. We act with integrity and respect. And when others fall short of our expectations, we support them to atone and extend our forgiveness. In doing this, we prepare children to live life in all its fullness: its joys and celebrations, its sorrows and struggles. The values which are most pertinent to this policy, alongside their links, are detailed below:

### **Courage**

We are called to create an environment where both children and staff aspire to be, and give, their best. Everyone is emboldened to take risks, overcome challenges and be courageous in their efforts to achieve their potential. Leaders challenge poor school attendance in order that children can access learning and:

- gain knowledge, skills and experiences to navigate life in an evolving world; and
- develop characteristics such as self-belief, ambition, and resilience to overcome life's challenges.

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God is with you." (Joshua 1:9)

### **Love**

Jesus embodies the love and compassion of God for each person, and Christians are called to follow him in this. In our family, love impels us to:

- put others' needs above our own;
- act with humility and without entitlement;
- empower all our community to flourish and succeed;
- provide a haven of compassion and safety, where children and adults know that they are cherished; and
- support those who are struggling to attend school because they are experiencing suffering and sadness.

"Let all that you do be done in love." (1 Corinthians 16:14)

## **Respect**

We seek to model to children an ethos of living well together. The flourishing of pupils goes hand in hand with the flourishing of the wider school community: staff, families, governors and friends of the school. Just as Jesus respected people by taking the time to care for them, we endeavour to:

- celebrate the Christian faith;
- foster deep respect for other cultures, faiths and traditions;
- provide an inclusive environment where special provision is afforded to those with disabilities or special educational needs; and
- challenge inequality.

“Whatever you wish that others would do to you, do also to them.” (Matthew 7:12)

## **Forgiveness**

Faults, flaws, and mistakes are an unavoidable part of human life. Though Jesus preached the importance of repentance, even in moments of great personal torture, he prayed for forgiveness for his tormentors. Therefore, in our family, we seek to:

- hold ourselves and others accountable for our/their actions, including school attendance;
- have a robust approach to dealing with persistent absenteeism;
- repent when we fall short of our own and others’ expectations; and
- forgive others for their indiscretions.

“If your brother sins, rebuke him, and if he repents, forgive him.” (Luke 17:3)

## **Honesty**

An honest person makes a habit of making accurate, trustworthy statements about life, self, others, and God; they represent themselves just as they are and tell others the truth about themselves. That said, the Bible tells us that honesty should always be accompanied by gentleness (Colossians 4:6). With this in mind, we strive to build kind and trusting relationships by:

- speaking and acting with integrity;
- ensuring that children have a strong voice in relation to their attendance at school, and acting on this; and
- working openly and compassionately with families in relation to pupils’ attendance, even when messages might be difficult to give or receive.

“And you will know the truth, and the truth will set you free.” (John 8:32)

St Mary Magdalene C of E Primary School understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality between different groups.
- Foster good relations between different groups.
- Promote mental health and wellbeing.

Our school’s overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We are committed to supporting and celebrating all pupils’ individual identities. We have developed this policy to provide a clear framework for how we will achieve our school’s aims.

Our school’s demographic state is directly linked to our overall aims for achieving equality.

We aim to tackle discrimination linked to any of the protected characteristics, specifically we aim to tackle the racism prevalent in the local area.

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key data indicators to understand the needs and characteristics of our school
- Promoting community cohesion
- Promoting parental engagement
- Investing in regular staff training
- Using key data, such as measures of wellbeing, to monitor the progress of pupils with protected characteristics
- Regularly reviewing our policy to ensure it reflects current trends and issues

## 2. Roles and responsibilities

The governing board will:

- Be responsible for ensuring the school complies with the appropriate equality legislation and regulations.
- Take all reasonable steps to ensure pupils and potential pupils will not be discriminated against, harassed or victimised in relation to:
  - Admissions.
  - The way the school provides and education for pupils.
  - How pupils are provided with access to benefits, facilities and services.
  - The exclusion of a pupil or subjecting them to any other detriment.

- Ensure all policies are developed and implemented with appropriate equality impact assessments informing future plans in collaboration with the headteacher.

The headteacher will:

- Implement and champion this policy, ensuring that all staff and pupils apply its guidelines fairly in all situations.
- Conduct regular training sessions to ensure all members of staff are aware of their responsibilities, as well as to develop their skills and knowledge.
- Review and amend this policy, taking into account new legislation and government guidance, and previously reported incidents, in order to improve procedures.
- Ensure that appropriate counselling is made available for pupils who require immediate interventions, parental assistance and personal counselling.

Staff will:

- Be alert to the possible harassment of pupils, both inside and outside of the school, and to deal with incidents of harassment and/or discrimination as the highest priority.
- Carry out their statutory duties relating to equal opportunities and inclusivity, and pertaining to their specific roles.
- Have due regard to the sensitivities of all pupils, and not provide material that may cause offence.
- Act as a role model for equality, diversity and inclusion across the whole school community.

### **3. Protected characteristics**

Staff will not discriminate against, harass or victimise a pupil, or prospective pupil, because of their:

- Sex.
- Race.
- Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
- Religion or belief.
- Sexual orientation.
- Gender reassignment.
- Pregnancy or maternity.

Staff will not discriminate against a pupil, or prospective pupil, because of a characteristic related to a person, such as a parent, with whom the pupil or prospective pupil is associated.

Staff will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.

### **4. Sex**

For the purpose of this policy, sex refers a pupil's biological assignment at birth depending on their reproductive organs. The school understands that some pupils identify as a gender different to the sex they were assigned at birth, and we will support pupils through their transitioning phases.

Staff will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes.

The school will only separate pupils by sex where there is reasonable justification for doing so, or if one of the following applies:

- Pupils will suffer a disadvantage connected to their sex
- One sex has needs that are different from the needs of the other sex
- Participation in an activity by pupils of one sex is disproportionately low

The school will consider non-statutory exceptions on a case-by-case basis, and regularly review the impact of any separation to ascertain whether it remains lawful.

Pupils will be offered equal opportunities to undertake any activity in the school, e.g. in relation to technology lessons, all pupils will be allowed to choose which skills they learn.

There may be occasions where we deem it necessary to teach some subjects in single-sex classes, but the school will ensure that such classes do not give pupils a disadvantage when compared to pupils of the other sex in other classes. Occasions where pupils are separated to be taught in single-sex classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind separation. Where a subject is taught in a single-sex class, trans pupils will be allowed to attend the single-sex class that corresponds with the gender they identify with.

Pupils' age and stage of development will be taken into consideration before segregating sports teams. Both sexes will have equal opportunities to participate in comparable sporting activities; where separation is deemed necessary, the single-sex sports teams will receive the same quality and amount of resources.

## **5. Race and ethnicity**

Staff will ensure that pupils of all races and ethnicities are not singled out for different and less favourable treatment from that given to other pupils and the school will regularly review its practices to ensure that they are fair.

Staff will ensure pupils with EAL are treated equally and fairly, while ensuring they are supported at all times.

The school will not segregate pupils on the basis of their race or ethnicity, understanding that claims of 'separate but equal' will not be tolerated, and that such actions will always be viewed as direct discrimination.

The school may, however, take positive action, e.g. organising open days for pupils and families of a specific race that is under-represented, to address the particular challenges affecting pupils of one racial or ethnic group, where this can be shown to be a proportionate way of dealing with such issues.

## **6. Disability**

Staff will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.

The school will avoid implementing rules that could have an adverse effect on pupils with disabilities (e.g. by making physical fitness a basis for admission, or asking all pupils to deliver a presentation, as this could be unfair towards pupils with anxiety), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

Staff will ensure that they do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for them to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

The school will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.

The school will meet its duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.

The school will adhere to its Special Educational Needs and Disabilities (SEND) Policy containing further information addressing equal opportunities for pupils with SEND.

## **7. Religion and belief**

Staff will ensure that pupils are not singled out or treated less favourably because of their religion or belief.

The school will ensure that pupils are provided with the appropriate space in which they can practice their faith, e.g. to perform their daily prayers.

Absences in relation to religious observances will be handled in accordance with the school's Attendance and Absence Policy.

The school will liaise with local religious leaders of all faiths to inform the amount of leave pupils will be granted in relation to religious observance.

## **8. Sexual orientation**

Staff will ensure that all gay, lesbian and bisexual pupils, or the children of gay, lesbian or bisexual parents, are not singled out for different or less favourable treatment from that given to other pupils.

The school will ensure that pupils are taught about the nature of marriage, including same-sex marriage, by presenting the facts of English and Welsh law – teachers will not offer personal opinions when discussing marriage in RSHE. The school will educate pupils on positive relationships, families

and gender identities within the LGBTQ+ community. RSHE lessons will be taught in accordance with the school's policy.

Staff will ensure that any religious beliefs with regards to sexual orientation are taught to pupils in an educational context, in a manner that is not prejudicial or discriminatory.

Staff will support LGBTQ+ pupils to feel comfortable and ensure they can celebrate their identity.

The school will ensure that there is a designated safe space where pupils can discuss issues of sexual orientation without fear of discrimination.

## **9. Gender reassignment**

Staff will ensure that pupils are not singled out or treated less favourably in relation to gender reassignment, i.e. because they are trans or have trans parents, siblings or other family members. The school recognises that gender reassignment does not necessarily involve physical change, and can be solely social and emotional.

Pupils will have the right to dress in accordance with their true gender identity within the constraints of our dress code, outlined in our School Uniform Policy.

The school will ensure that there are suitable toilet and changing facilities for pupils to use, including:

- Gender-specific toilets and changing facilities.
- Private changing facilities.

The facilities will be made available to all pupils and pupils can use the facility they feel most comfortable in, e.g. if a trans pupil wished to use a private changing room.

The school will support trans pupils to feel comfortable and ensure they can celebrate their identity.

The school will ensure that there is a designated safe space within the school where trans pupils can discuss issues of gender without fear of discrimination.

## **10. Looked-after children (LAC)**

LAC and previously LAC (PLAC) will be given the highest priority for admissions, as per the requirements of our Admissions Policy.

Staff will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.

A personal education plan will be created and implemented for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

Staff will ensure that any SEND that LAC or PLAC have are duly taken into account and addressed, whether this is with or without a SEND statement or EHC plan.

The school will adhere to its LAC Policy containing further information addressing equal opportunities for LAC.

## 11. The curriculum

Pupils will be exposed to thoughts and ideas of all kinds, and the school will not make any unjustified changes to curriculum content on the grounds of any protected characteristics that a pupil may have. The school will ensure, however, that the curriculum is as balanced as possible, and delivered in such a way that prevents discrimination and the promotion of prejudicial stereotypes. For example:

- To ensure equality, diversity and acceptance are taught and promoted, the school has identified 'equality' as a key concept within our [RSE curriculum](#).
- Our [Art curriculum](#) deliberately incorporates a range of artists representing a variety of genders, cultural backgrounds and ethnicities
- Our [Music curriculum](#) represents a range of cultural heritage focus pieces
- We teach a balance of content which represent countries around the world  
<https://www.stmarymagdaleneprimary.co.uk/our-global-curriculum/>

The observation of inclusive teaching strategies will remain a key aspect of the SLT's ongoing programme of monitoring.

The school will respect the right of parents to withdraw their child from sex education.

## 12. Promoting inclusion

The school will promote inclusion and equality at our school through:

- Ensuring that pupils are called by their preferred names, which may be different from their legal names, taking into account the correct spelling, structure and pronunciation.
- Ensuring, as far as possible, that our governing board and staff reflect the full diversity of our local community.
- Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.
- Instilling in pupils an awareness of prejudice, giving them confidence that it can, and must, be eradicated.
- Providing a variety of educational and residential visits that expose pupils to a wide range of cultural experiences.
- Ensuring equal access to opportunities, such as extracurricular activities and the curriculum.
- Taking care in the use of language and the choice of resources, so that teaching and non-teaching staff avoid reinforcing stereotypical views of society.
- Valuing the cultural experiences and contributions of all pupils, regardless of any protected characteristic that they may have.
- Communicating our policy to parents to gain their understanding, agreement and support for its provisions.
- Discussing equality issues as an agenda item for the school council.
- Promoting equality of opportunity within the wider society.

- Ensuring admission arrangements will not unfairly disadvantage a pupil from a particular social or racial group, or with SEND.

### **13. Pupils that have left school**

The school's responsibility to not discriminate, harass or victimise will not end when a pupil has left school. It will continue to apply with regard to subsequent actions related to our previous relationship with the pupil, such as the provision of references.

### **14. The Public Sector Equality Duty**

The school will meet its duty to publish:

- Annual information to demonstrate how the school is complying with the Public Sector Equality Duty, taking into account the specific circumstances surrounding pupils who have any of the protected characteristics outlined in the protected characteristics section of this policy.
- Equality objectives (at least every four years) outlining how the school may further equality.

There are some protected characteristics where statistical data is less likely to be readily available, and pupils will not be pressured into providing information related to any characteristic which they may identify with.

### **15. Bullying and discrimination**

Our Anti-bullying Policy will be used in conjunction with this policy in order to prevent, and effectively deal with, any discriminatory incidents.

Any bullying incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Child Protection and Safeguarding Policy.

The headteacher will decide whether it is appropriate to notify social services and/or the police of any incident.

Concerns with regards to the handling of bullying and discrimination incidents will be dealt with via the procedures outlined in the Complaints Procedures Policy.

### **16. Staff training**

New staff will receive relevant training on the provisions of this policy during their induction.

Whole-school staff training for will be delivered in-house on an annual basis.

### **17. Monitoring and review**

This policy will be reviewed by the headteacher and governing board annually and updated where appropriate – any amendments will be duly communicated to staff.

This policy will next be reviewed in March 2027.
