### QUOTES FROM PARENTS CARERS & CHILDREN

#### Quote from parent....

"What you have created at Spectrum Wasp is very special indeed. A truly inclusive group, the activities that my daughter took part in were AMAZING. She has made new friends and made memories that she will treasure."

**QUOTE FROM PARENT....  
SO GRATEFUL FOR SPECTRUM WASP, LOVELY TO BE  
AMONGST SUPPORTIVE OTHER PARENTS/CARERS WHO  
UNDERSTAND IF WE ARE IN THE MIDDLE OF A BAD DAY.**

#### Quote from child....

"Everyone getting along like a family, helping and supporting each other." - "We have FUN!!"  
- "I love meeting new people and having a good time" - "WASP is amazing and wonderful"

## We Are Special People

## ALL ABOUT SPECTRUM WASP

Spectrum WASP local Children's Charity support local children and young people on the Autistic Spectrum with Disabilities, Special and Additional needs. We also support siblings and families within the local community of Rainworth, Blidworth, Mansfield and surrounding areas. Some of our families are disadvantaged, on low income with no outside support.

Through our monthly **ACTIVITIES** and workshops/learning programme our **OBJECTIVES** are to provide support, development, life skills and learning in order for our children/young people to gain acceptance in today's demanding society.

We also provide help for our parents and carers through a comprehensive training programme that supports in caring for their children/young people who frequently demonstrate very challenging derogatory behaviour.

On our register we currently have supported over the last 9 years 350 children/young people, this figure is constantly increasing through our Short Breaks respite care which we are able to now offer.

We have our base at Pine House at Ransom Wood, Mansfield, which is set in a wonderful woodland outdoor space/environment giving us the opportunity to provide a varied programme of indoor/outdoor training and learning activities/workshops. We need to sustain to continue growing within our local community as this need is very much shown to be there.
