

# Staff INSET

MONDAY 4 SEPTEMBER

## BUILDING TRUST IN EACH OTHER AND IN GOD

Rev. Julie and Kitty led our 'Back to School' Worship, setting the tone of the year, and, working with staff to build trust, both in others, and in God. We played 'find the keys' - a blindfold game, where the leader could only communicate with actions from the back. This helped us to think about the way God 'has our back'. We also sang worship songs and listened to the story of Jesus calming the Ocean .

## IMPACT

There were three new members of staff in our team - it was a great way to break the ice and bring us together (MP).

It put some fire in our bellies for the year ahead - provided inspiration and uplift to get us off to a good start (EC).

It gave us a spiritual refresher for the start of the new year (JH)

It was a great way to start the term - singing is good for the soul and the session helped us to integrate with teams across school to build relationships and trust (GC).

It was really nice to be with everyone else - it promoted 'togetherness'!
