P4C Workshop Evaluation 10.1.2023

Which topics or aspects of the meeting did you find most interesting or useful?

Lovely to see most children involved. Interesting views from the class on the picture. Miss Wain engaged a lot of mini groups. I enjoyed it a lot today

It was helpful and enlightening for parents

As a parent who teaches his daughter to think about how she acts and expresses herself, it is great to see the school looking at all these aspects

I found out what P4C – It was nice to see it help establish confidence and linguistic skills

For the children to have confidence on their own and to be able to answer the questions and be supported

All of it! It's nice to listen to how children are learning

Being able to understand what P4C is when my child talks about it

Was there any other information that you didn't receive and would like to?

Sometimes the abbreviations can be confusing – RSE, KS1 for example
