

Year 2 Autumn 2 Homework Projects

Here is an overview of our learning this half term. There are also some suggested homework projects for you to have a go at!

**Our
Novel for
this half
term:**

This text will be the basis for all our writing outcomes this half term. We will be writing a setting description, a recount of our trip to The Deep and a persuasive letter. .

Science

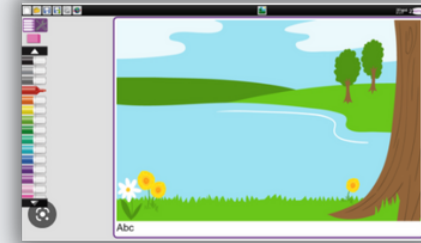

In Science, we will be learning about animals including humans.

Project: In Science we will be learning about: materials and seasons. Project: Produce a piece of art or information booklet to show how the seasons change.

Computing

In Computing, we will be continuing to code

Project: Login to Purple Mash and practise coding.

Art

In Art we will be learning about the the work of Paul Klee - Fish Magic and creating our own abstract engraving.

Project: Create your own piece of art related to the seaside or ocean. It could be linked to plastic pollution within the ocean.

**Projects are
to be handed
in by Friday
12th
December
2025**

Geography

In Geography we will be learning about: Oceans and continents and the impact of plastic pollution.

Project: Create an information booklet or poster showing the impact that plastic pollution is having in our oceans.
