

# Year 6 Autumn 2 Homework Projects

Here is an overview of what we will be covering this half term and suggested projects for you to have a go at.

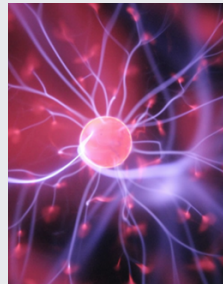

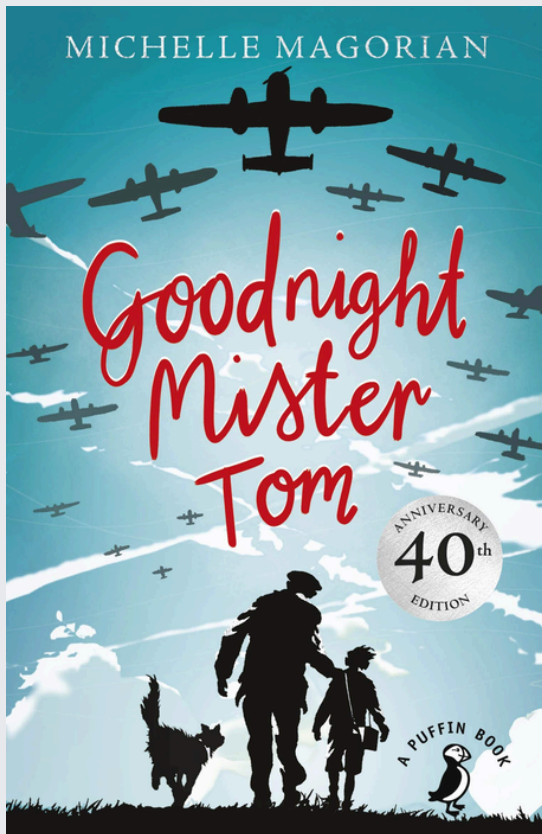

In History, we will be learning about WW2 – Breaking the Enigma Code (1941).

Project: Create an information leaflet about the Breaking of the Enigma Code and the impact it had on the War Effort.

In DT we will be looking at: Structures:  
Gears – plane propellers.

Project: Create or design your own wartime plane. What features will it include to help it to fly? Use inspiration from other wartime machinery to support.

In Science we will be learning about:  
Evolution and Inheritance.

Project: Make a poster or leaflet about the variations in your family.

You could include information about:  
Eye colour, ear lobes, hair colour, double jointed.

Who are you more similar to or more different to in your family and why?

**Homework to be  
completed by Friday  
19th December**
