

Light Party

Sunday 30 October

We worked in partnership with St Mary's Church to run a light party as a Halloween alternative. We enjoyed lots of fun and games, food, worship and a short talk.

We sang songs about how Jesus is the light and celebrated how the light overcomes the darkness (John 1). The event was well attended by children from St Mary's as well as schools further afield.

I love the light party and I really loved making my glowing firefly!
