

*We read from Psalm 104:*

*"All creatures look to you to give them their food at the proper time.*

*When you give it to them, they gather it up; when you open your hand, they are satisfied with good things."*

## IMPACT

We heard a story about a selfish man who eventually learned to share. It was to make us remember that, as long as we've got what we need, if you have food or money that you don't need, you can give it to the homeless or foodbanks.

This really made me think about people who don't have as much as us - sometimes we take things for granted but we shouldn't! Some people lose things and don't get another opportunity so people who do get the opportunity in life should take it, and share this with others.

# Churches Together Harvest Service

30 September 2022

We met leaders from a number of churches including Anglican, Methodist, and the Salvation Army in the precinct at Idlewells.

We heard a story about a selfish man who learned that sharing the Lord's gifts was a kind thing to do.
